Description

Calling all Facilities Management Experts!

Join the Park Homes Care Homes Group and take charge of maintaining our exceptional care facilities.

Are you a skilled Facilities Manager with a passion for creating safe and welcoming environments? Look no further! We are seeking a dedicated professional to oversee the maintenance and operations of our care homes across the Park Homes Group.

As the Facilities Manager, you will play a vital role in ensuring that our facilities provide a comfortable and secure environment for our residents. Your expertise will be instrumental in maintaining the highest standards of safety, cleanliness, and functionality.

Responsibilities

- Oversee all aspects of facilities management, including maintenance, repairs, and renovations.
- Develop and implement maintenance schedules to ensure the smooth operation of our care homes.
- Conduct regular inspections to identify and address any issues promptly.
- Manage vendor relationships and negotiate contracts to optimize service quality and cost-effectiveness.
- Ensure compliance with health and safety regulations and maintain records accordingly.
- Collaborate with other departments to support their facility-related needs and enhance resident experiences.

Requirements

- Proven experience in facilities management, preferably in the healthcare or care home industry.
- Strong knowledge of building systems and maintenance practices.
- Excellent organizational and problem-solving skills.
- Exceptional leadership and interpersonal abilities.
- Familiarity with health and safety regulations and compliance requirements.
- A commitment to providing outstanding care and creating a comfortable environment for our residents.

Join us at Park Homes Care Homes Group and be part of a dedicated team committed to delivering exceptional care with kindness and compassion. Apply now

and contribute your expertise to the well-being and comfort of our residents.
Together, let's create a home that residents can truly thrive in.
