Plumber

Park Homes (UK) Ltd

Employment Type
Full-time

Date posted
June 11, 2024

Job Location
Manchester, Some travel required

Description
We are currently seeking a skilled Plumber to join our team. The successful candidate will be responsible for installing, repairing, and maintaining plumbing systems across our sites. This role is based in Manchester with some travel required.

Responsibilities
· Weld pipes together to assemble and repair plumbing systems

· Utilise mechanical knowledge to troubleshoot plumbing issues

· Drive commercially to transport materials and equipment to job sites

· Perform basic maths calculations for measurements and material estimates

· Engage in heavy lifting when moving materials and equipment

· Utilise hand tools such as wrenches and screwdrivers, as well as power tools for cutting and drilling

· Plumb fixtures, pipes, and appliances to ensure proper functioning

· Collaborate with carpenters to design and construct supportive structures for plumbing systems

· Assemble piping components using appropriate techniques

Qualifications
· Proven experience as a Plumber or relevant apprenticeship

· Commercial driving licence required

· You must be Gas Safe registered

· Strong understanding of basic maths for measurements and calculations

· Ability to lift heavy objects and work in physically demanding conditions

· Proficiency in using hand tools and power tools for plumbing tasks

· Demonstrated ability to plumb, assemble, and repair various plumbing components
